THE BIG CONVERSATION

KEYNOTE SPEAKER: DAVID WATTS: PROFESSOR OF BIO-MATERIALS SCIENCE, UNIVERSITY OF MANCHESTER

A SCIENCE CONFERENCE LIKE NO OTHER: SCIENTISTS, STUDENTS, CHURCH LEADERS AND FREETHINKERS ARE INVITED TO A DAY OF FRESH PERSPECTIVES ON ORDINARY RESEARCH. HOW COULD A CHRISTIAN WORLDVIEW ENHANCE THE SCIENCES AS WE WORSHIP OUR CREATOR, REDEEMER AND LORD THROUGH INVESTIGATION AND DISCOVERY? STARTING AND ENDING WITH WORSHIP MUSIC, THE DAY WILL OFFER A PROFOUND KEYNOTE TALK AND A CHOICE OF CONVERSATIONS TO HEAR AND JOIN IN WITH.
